

# It Is Finished (Beat the System Version)

## Petra

In the heat of early morning on a hill  
They call The Skull  
The roaring of the angry mob  
Had settled to a lull All eyes were cast upon the man  
Whose hands and feet were bound  
They saw Him cry in anguish  
When they heard the hammer pound They saw the bloody woven thorns with  
Which His head was crowned  
They watched the bloody cross of wood  
Be dropped into the ground The soldiers gambled for His clothes  
They watched them win and lose  
They saw the sign above His head  
That said "King of the Jews It is finished  
And the sky grew black as the night  
It is finished  
And the people scattered in fright The work had been done  
Redemption had been won  
The war was over without a fight  
It is finished They searched His face for anger  
For vengeance in his stare  
Instead of eyes that burned with hate  
A look of love was there He prayed for their forgiveness  
And bowed His battered head  
And no one knew the meaning  
Of the final words He said It is finished  
And the sky grew black as the night  
It is finished  
And the people scattered in fright The work had been done  
Redemption had been won  
The war was over without a fight  
It is finished The provision has been made  
The foundation has been laid  
He paid the ransom due  
And tore the temple veil in two  
And opened up the way  
For me and you It is finished It is finished  
And the sky grew black as the night  
It is finished  
And the people scattered in fright The work had been done

Redemption had been won  
The war was over without a fight  
It is finished
