

# Headhunter (Substanz T.)

## Front 242

Today he has no means  
He's alone and anonymous  
But written in his cells  
He's got the marks of a genius  
I'm looking for this man  
To sell him to other men  
To sell him to other men  
To make us rich and famous One you lock the target,  
Two you bait the line,  
Three you slowly spread the net  
And four you catch the man! I'm looking for this man  
To sell him to other men  
To sell him to other men  
At ten times his price at least  
I'm looking for a man  
Who knows the rules of the game  
Who's able to forget them  
To realize my aim One you lock the target  
Two you bait the line  
Three you slowly spread the net  
And four you catch the man Lock the target, bait the line  
Spread the net then catch the man One you lock the target  
(Lock the target, bait the line  
Spread the net, then catch the man)  
Two you bait the line  
(Lock the target, bait the line  
Spread the net, then catch the man)  
Three you slowly spread the net  
(Lock the target, bait the line  
Spread the net, then catch the man)  
And four you catch the man  
(Lock the target, bait the line  
Spread the net, then catch the man)
