

# One Day Christian

## Lovindeer

Now all true Christians just cool !  
You know inna this  
This one is about those people who curse the sinners  
Then turn around and do the things  
That give true Christians a bad name

Them a one day Christian  
Them a one day Christian  
6 days a week they do it all kinda wrong  
Sunday dress up inna white, bible in their hand  
Oh Lord ! Them a one day Christian

Oh Lord !  
Them a holler for the Lord, holler for the Lord  
Holler for the Lord and nuff them a fraud  
See them a come a secret cloak  
With the attitude, Holier than though  
They donâ€™t mingle with none Christian folk  
They donâ€™t want to be an equally yolk  
Plus the sinner gone some way  
Because them Go to church every day  
While me in my bed I sleep some more, Because I a party the night before  
Plus fornicator, plus the crook  
But them a do the same when nobody na look

Them a one day Christian  
Them a one day Christian  
6 days a week they do it all kinda wrong  
Sunday dress up inna white, bible in their hand  
Oh Lord ! Them a one day Christian

Hear This  
A me say one Sunday morning bright and early  
Me a watch a service pon TV  
See the Preacher a cry openly  
That arouse my curiosity  
So me watch and listen carefully  
While the tears of the Parson flowed freely  
Then after a while it occurred to me  
The Parson really a cry for money

Him na cry for the poor family who have to go to bed every night early  
Na cry for the South African country where black people try to be free  
Na cry for the youth who a suffer daily  
Him a cry, him a cry for money  
But all of them who have to cry some more  
When the key man lock the door

Key man Key man, Key man lock the door  
Key man lock the door right now  
Key man Key man, Key man lock the door  
Key man lock the door right now

Follow me now  
Controlled by greed and vanity  
Them a live high way pon poor people money  
They donâ€™t give a damn for the congregation  
As long as you show your collection

Follow me  
When my pilot come I take an aeroplane ride  
I will be so happy with the father by my side  
A house is not a home without the Lord inside  
So when my pilot come I take an aeroplane ride

A me say Parson a preach pon the pulpit  
But when you check it out him a big hyprocrite  
Sunday night him in the church a pray  
Monday him a lead young woman astray

One day Christian  
Them a one day Christian  
6 days a week they do it all kinda wrong  
Sunday dress up inna white, bible in their hand  
Oh Lord ! Them a one day Christian

Follow me now, hear this  
Say all true Christians everywhere  
And you me a talk so have no fear  
I beg the youth donâ€™t feel no way  
Just hear me when I say  
There are wolves among the sheep  
There are wolves among the sheep  
Be careful of the company that you keep  
There are wolves among the sheep

Key Man

Key man Key man, Key man lock the door  
Key man lock the door and gone  
Key man Key man, Key man lock the door  
Key man lock the door and gone

Me Say when my pilot come I take an aeroplane ride  
I will be so happy with the father by my side  
A house is not a home without the Lord inside  
So when my pilot come I take an aeroplane ride

Say me canâ€™t take corrupt preacher  
Them are the biggest crook, biggest adulterer  
These unholy backslider and one like them a super pariah  
But thank the Lord for the Enquirer  
Who expose them in the newspaper

Them a one day Christain  
Them a one day Christian
