100 Bars

Canibus

Yeah, that?s the beat right there I?m about to black out with 100 bars On some professional shit So don?t try this at home, yo, yo, yo, yo My style of rhymin' is ancient like Aztecs an' Mayans Because I recognize it?s all about timin' Me an' my freestyle alliance practicin' African Voodoo science In front of 20 foot bonfires Lookin' skyward, calculatin' May 5, 2000, the nine planets?ll be in alignment The arrival of the prophet in the cockpit Of a starship the size of the Hale Bopp comet With Mercury ion rockets An' a big ass 'Canibus comin' soon' poster on the side of it I?m known geographically an' intergalactically That?s why I got extraterrestrials that wanna battle me They even tried kidnappin' me an' they would?ve snatched me If their craft didn?t get trapped in the Earth?s gravity Engines started to fail, crashed into a farmer?s field An' that?s really what caused 'Roswell' Undercover operatives workin' for Com 12 Disguised as a nigga, signed with a record deal Lyrically I?m off scale So all hail or get tossed towards Hell, whatever y?all feel Bruisin' niggas, confusin' niggas Like Chip Fu from the Fu Schnickens Hit you with nuclear cruiser missiles Hear the wild wolf growl Styles stockpiled for miles from the ground to the clouds Whack niggas wanna be down but it?s not allowed Interrupt the cipher unannounced an' you? Il get punched in the mouth With the southpaw southern fist I?ll bust your shit, swell your lip an' get the bubba shrimp Back the tougher shit, what a wimp You giant Goliath, niggas get shot with a rubber sling I?m an experiment gone bad My brainwaves on an encephalograph Show that I?m stark ravin' mad Your whole scientific staff?ll get killed in a nuclear blast

When I throw the formula stashed in my hand
Flammable liquids in the lab explode
An' you get stabbed with all the flyin' glass
Trained to blow up commercial aircrafts
Trained in chemical weapons class

Just to see how long a nigga's breath?ll last, I put him in a leather mask Spray his ass with a can of pepper gas

Then watch him grab his neck an' gag

Watch the nigga choke to death as I laugh

?You wanna battle??, is the type of question you should never ask

Nigga, pick a tougher task, see who the fuck?ll last

Whoever lose?ll get a solderin' iron up the ass

You need to recognize, my hand is quicker than the eye

Quicker than the 5 speed Jamiroquai drives

A lifespan longer than 9 lives, infinite rhymes that can?t die

A nigga with a divine mind

I dedicate this to the wise, dedicate it to dames

Dividin' myself into 100 ten times

You can?t deny the offerin's an offer

Flows that glow with Aurora?s the spark of light

Water fly like a saucer with the torque of a Porsche

Murder a million MCs, then autograph all of their coffins

Been gettin' it on since I been born an' I?m a live long

An' I?m a be gettin' it on till I?m gone

Look at all the stages I been on, all the songs that I spit on

I took an oath to rip everything I get on

A nigga like me should have carpal tunnel syndromes

In the wrist bones from grippin' microphones this long

I?m just a small fish in a big pond

An' gets pissed off whenever I get picked on

Nigga try to flip an' get flipped on

My army march, a million strong

Like the Nation of Islam, with suede timbs on

Extremely hostile

Fully armed troops dressed in frog suits an' night vision goggles

A lyrical lynch mob, shittin' on niggas

Drawn to a hideous form with horns an' a mink on

Duckin' down low like Vietnam fightin' the Vietcong

Screamin', ?Incoming? when I see a bomb

Speak to your leader, surrender your arms

You need about a million more soldiers to even the odds

Plus 800,000 to even consider a war

An' 200,000 more to even look hard

You better drop your flag an' withdraw

My cavalry charge accompanied by a blizzard of wicked metaphors

An' smash y?all

Attach y?all to the back of my horse
An' drag y?all across the motherfuckin' asphalt
9 outta 10 niggas is frauds

You know who you are always talkin' about your bitches an' your cars Your jewelry an' your girls, it?s like we from two different worlds You motherfuckers really get on my nerves

'Cause I?m beyond them, on some futuristic cyborg shit I close my eyes when I freestyle, so I could read what picture crossed in Then raise my arms like a sorcerer an' cast a fireball into the audience

To barbecue your brain organs

You feel like you?ve been thrown in a microwave oven
I flame broil suckers an' hit ?em with some more shit
The raw shit, call my reinforcements, the Four Horsemen
Take a big piece of chalk an' draw a line across the stage pulpit
I dare a motherfucker to cross it

I?ll even call my man, Black Rob at two in the mornin'
Tell him it?s important, tell him to call Sting
3 way an' sing a chorus

Break your camcorders so you motherfuckers can?t record it
Call the news, I?ll kill your reporters
Start a lawsuit, I?ll kill your lawyers
Fuck the soft shit an' fuck what y?all think
My album?s gold 'cause my album was the bomb, shit
Y?all niggas got your ass beat 'cause you asked for it

Got your picture taken an' put in a tabloid
'Cause you a man an' you like to touch little boys
You fuck 'em in the ass, then you give ?em cash for it
That?s some sick shit, homeboy

A hundred years ago, they?d have took you to see Sigmund Freud
You fraudulent, feminine, fragile as a feather is
With an effortless blow, I?ll crack your whole skeleton
You think you?re better than Canibus, where?s the evidence?
You got below average intelligence an' poor penmanship
You need to shut the fuck up 'cause your breath stink
Take fifty cents an' purchase a pack of Peppermints

Battlin' me? You never win

You thought you was the only nigga that could sneak a weapon in? Nigga, guess again, 'cause after I?m finished wreckin' this shit I?m a drink a whole bottle of Henney an' go fuck a lesbian
