

# Trouble

## Neon Jungle

And it's going trouble since  
I was seventeen, they say hey!  
Cause the hurricane trouble is my middle name  
    But I don't look for trouble  
    Yet the trouble looks for me.  
    Hey, I don't want no trouble  
    But the trouble looks for me, hey.  
And it's going trouble since  
I was seventeen, they say hey!  
Cause the hurricane trouble is my middle name  
    But I don't need for trouble  
    Yet the trouble looks for me.

? on my punk,  
Pour my whiskey in my coke'  
    Never been one of the heard  
    Flipping one over the bird.  
People say I am ruthless, I just let them  
    Use my?  
I go hard cause I'm hardest.  
    Til we ain't?

[House beats]

Trouble, trouble  
Trouble, trouble  
Trouble, trouble.

Trouble, trouble  
Trouble, trouble  
Trouble, trouble.

Trouble, trouble  
Trouble, trouble  
Trouble, trouble.

I just wanna live a quite life  
    Cause mechanical surfer  
    Never swear I really tried.  
Cause for boys they just? to hold

Trouble is my name and no!  
Trouble is my name and no!

And it's going trouble since  
I was seventeen, they say hey!  
Cause the hurricane trouble is my middle name  
But I don't look for trouble  
Yet the trouble looks for me.  
Hey, I don't want no trouble  
But the trouble looks for me, hey.  
And it's going trouble since  
I was seventeen, they say hey!  
Cause the hurricane trouble is my middle name  
But I don't need for trouble  
Yet the trouble looks for me.

Trouble, trouble  
Trouble, trouble  
Trouble, trouble.

Trouble, trouble  
Trouble, trouble  
Trouble, trouble.

Trouble, trouble  
Trouble, trouble  
Trouble, trouble
