Cascadeur

Baby maybe Im on your wings
You shake you like shine
When I surf you
Give me, give me, give me power!
Your queen, your lips,
Im king, Im your servant!
Moving like a shadow
All your magic bond.Faster than the winds, deeper than the dream
Stronger than the mean, the ghost surfer
Faster than the winds, deeper than the dream
Stronger than the mean, the ghost surfer
Faster than the winds, deeper than the dream
Maybe, maybe in my lifetime
Your mind, your. your rode
When I surf you
Give me, give me, give me power!
Your queen, your lips,
Im king, Im your servant!
Moving like a shadow
On your magic pot.
Faster than the winds, deeper than the dream
Stronger than the mean, the ghost surfer
Faster than the winds, deeper than the dream
Stronger than the mean, the ghost surfer
Faster than the winds, deeper than the dream
Stronger than the mean, the ghost surfer
