# Colour

## Microvolt

Oh colour fades away
With a light descending on the day
Midnight sees your friend
Oh could you call his name
Would you know his nameI come here for your love
But, God only knows colour fades away
Good times here today
Meanwhile you would say
I close my eyesColour fades away
Tell me who are you for anyway
Midnight is your friend
Will we see a beginning in the endGod only knows that we've put in that paint
God only knows colour fades away
Good times here today here most every day
Meanwhile you would say
I close my eyes and dream of only yesterdayColour fades away
Good time here today
Here most everyday
Meanwhile you would say
That I close my eyesColour fades to gray
I dream so exciting
But I, I feel so bold
