

Dungeon of Pleasure

Nasty Savage

Step into my parlor
Said the spider to the fly
Hollywood fashion model
You are my prize
Aggressive airline hostess
College cheerleader
Wealthy old women
Demanding and bizarreForbidden techniques
It's just what they seek
Fantasy lane
Dominance submission
Handcuffs-chains
Bondage-pain
Leather devices
It's not all the sameDungeon of pleasure
Dungeon of pleasure
Excitement soaring, lustfully
Dungeon of pleasure
Dungeon of pleasure
Command performance fantasyYou blaze with acceptance
As heat begins to rise
Passion in the dungeon
I hear your desparate criesStep into the real world
Where pain and pleasure mix
Ultimate excitement
As you play your trickThe bitch is bound and helpless
She's screaming for more
That sweet and innocent girl
Is really hardcore
Her obsession for pain
Makes me bite my lip
As she eagerly indulges
I give her the whipDungeon of pleasure
Dungeon of pleasure
Excitement soaring, lustfully
Dungeon of pleasure
Dungeon of pleasure, fantasy
