

Shake It Baby

Junior Wells

Shake it, baby, shake it, baby
Shake it, baby, I'll buy you a diamond ring
If you don't shake it baby
Ain't gonna buy you a doggone thing Shake it, baby, I'll buy you a beautiful dress
Shake it, baby, I'll buy you a beautiful dress
If you don't shake it now, baby
You ain't gonna have no happiness And when I sleep, you sleep
And when I talk, you talk
And when I walk, you walk And when I eat, you eat
And when I fight, you fight
And come on baby, the moment I Shake it, baby, shake it, baby
Shake it, baby, I'll buy you a diamond ring
If you don't shake it now, baby
Ain't gonna buy you a doggone thing Shake it baby, I'll buy you a beautiful dress
Shake it baby, I'll buy you a beautiful dress
If you don't shake it now, baby
You won't have no happiness And when I walk, you walk
And when I talk, you talk
And when I sleep, you sleep, baby And when I eat, you eat
And when I fight, you fight
And come on, come on, come on
Come on, come on, come on And when I scratch, you scratch
And when I itch, you better itch some too
And when I tell that I love
You better tell me you love me too
Come on, come on, it's all right Shake it, baby, shake it, baby
Shake it, baby, shake it, baby
Shake it, baby, shake it, baby
Shake it, baby, shake it, baby Shake it, baby, shake it, baby
Shake it, baby, shake it, baby
