Twisted Transistor

Nu Metal

Hey you, hey you
Devil's little sister
Listening to your
Twisted transistorHold it between your legs
Turn it up, turn it up
The wind is coming through
Can't get enoughA lonely life
Where no one understands you
But don't give up
Because the music doMusic do, music do
Music do, music do
Music do, music doBecause the music do
And then it's reaching
Inside you
Forever preaching"Fuck you too!"
Your scream's a whisper
Hang on you
Twisted transistorHey you, hey you
Finally you get it
The world ain't fair
Eat you if you let itAnd as your tears fall on
Your breasts, your dress
Vibrations coming through
You're in a messA lonely life
Where no one understands you
But don't give up
Because the music doMusic do, music do
Music do, music do
Music do, music doBecause the music do
And then it's reaching
Inside you
Forever preaching"Fuck you too!"
Your scream's a whisper
Hang on you
Twisted transistorMusic do, music do
Music do, music do
Music do, music do
Music do, music doHey you, hey you
This won't hurt a bit

This won't hurt a bit, this won't hurtSays who, says who
Anesthetize this bitch
Anesthetize this bitch, anesthetizeJust let me be
Between you and me, don't fitMusic do
And then it's reaching
Inside you
Forever preaching"Fuck you too!"
Your scream's a whisper
Hang on you
Twisted transistor
