

Twisted Transistor

Nu Metal

Hey you, hey you
Devil's little sister
Listening to your
Twisted transistorHold it between your legs
 Turn it up, turn it up
 The wind is coming through
 Can't get enoughA lonely life
 Where no one understands you
 But don't give up
Because the music doMusic do, music do
 Music do, music do
Music do, music doBecause the music do
 And then it's reaching
 Inside you
 Forever preaching"Fuck you too!"
 Your scream's a whisper
 Hang on you
Twisted transistorHey you, hey you
 Finally you get it
 The world ain't fair
Eat you if you let itAnd as your tears fall on
 Your breasts, your dress
 Vibrations coming through
 You're in a messA lonely life
 Where no one understands you
 But don't give up
Because the music doMusic do, music do
 Music do, music do
Music do, music doBecause the music do
 And then it's reaching
 Inside you
 Forever preaching"Fuck you too!"
 Your scream's a whisper
 Hang on you
Twisted transistorMusic do, music do
 Music do, music do
 Music do, music do
Music do, music doHey you, hey you
 This won't hurt a bit

This won't hurt a bit, this won't hurtSays who, says who
Anesthetize this bitch
Anesthetize this bitch, anesthetizeJust let me be
Between you and me, don't fitMusic do
And then it's reaching
Inside you
Forever preaching"Fuck you too!"
Your scream's a whisper
Hang on you
Twisted transistor
