Gladiator

Dami Im

Throw my head to the sky
Cover the sun in my eyes
I can see your silhouette, silhouette
I'll find a way to get to you
You look at me and I blush
You're like a perfect mirage
And they say you're out of my league
Out of reach
I don't mind
I'll break my back for just one touch
All my blood for your love
Not in it for the honour
For you I swear I'm gonna
Run through a thousand mining fields
And nothing can stop me
Not in it for the glory
I just hope you're waiting for meNever gonna give up
I won't let nobody harm ya
I'mma fight for your love
Like a gladiator
Give it all that I've got
I'm your knight in shining armour
I'mma fight for your love
Like a gladiator
Like a gladiatorYou built your walls real high
Nobody else dares to climb
But I'mma work my fingers to the bone
All the way to your throne
Catch every arrow in my shield
If it bring you to me
Not in it for the honor
For you it's where I'm going
Run thorough a thousand mining fields
And I think it's on me
Not in it for the glory
I just hope you're waiting for meNever gonna give up
I won't let nobody harm ya
I'mma fight for your love
Like a gladiator

Give it all that I've got
I'm your knight in shining armour
I'mma fight for your love
Like a gladiator
Like a gladiatorI'm gonna wait for your love
I'm gonna fight for your love
Don't care about the odds
I'll take on the world if I must
They will be screaming my name
You better see who I am
I'll show you what I'm made of
There's nothing I'm afraid ofNever gonna give up
I won't let nobody harm ya
I'mma fight for your love
Like a gladiator
Give it all that I've got
I'm your knight in shining armour
I'mma fight for your love
Like a gladiator
Like a gladiator
