

# Hard on Me (feat. Maverick Sabre)

## Gorgon City

Face down on my chest  
Wake up and you are there  
Your touch takes my tears

But I'm lying here wondering if you are sincere  
I pray that what you give me is real  
I hate that it's the way I feel

Nothing seems to care for me to see  
And I can't drink for love with you  
If I can't recognize the truth

I watch you as you rest

I'm so confused'Cause I don't wanna be used darling it's too hard on me  
And I don't know what to do darling but choose honesty  
And I don't wanna be used darling it's too hard on me  
And I don't know what to do darling but choose honesty[?]

And your smile as you're fast asleep  
My fears tell me to go

But as you're whispering in my ears [?]  
So I don't I pray that what you give me is real

I hate that it's the way I feel

But nothing seems to care for me to see  
But I don't wanna be used darling it's too hard on me  
And I don't know what to do darling but choose honesty

And I don't wanna be used darling it's too hard on me

And I don't know what to do darling but choose honesty  
Oh please darling don't use me  
Please darling don't use me

Oh please darling don't use me  
So I don't know how I can take it  
And I don't know how I can make it

And I don't know how I can take it

And I don't know how I can make it  
Please darling don't  
Please darling don't
