Habeas Corpus

The Agony Scene

Stab wounds will take their toll, murderer with her smile
And as an after thought, she kept the heart he gave her
Beauty can be so cruel, she once swore him forever
To make good on her word, ensured he'd never leave herShe lies and whispers loving words
He lay bleeding on this floor
A sigh, a kiss will end his pain
And she drives the blade deeper still
Come closer, come closer, come closer to meCrimson streaks the pale skin of her face
From the spray of blood from his throat
His eyes ever questioning why
She swore never to leave himShe lies and whispers loving words
He lay bleeding on this floor
A sigh, a kiss will end his pain
And she drives the blade deeper still
