You Don't Move Me (I Don't Give a Fuck)

Bathory

Break my heart tear it apart
And spit me in my eye
Confuse my head treat me for dead
And fill me your liesYou don't have to know your lines very well
You don't have to lie the best
Just act at your class just be an ass
A cunt among the restI couldn't care less
You don't move me
If you wanna roll around in shit
Just like the rest
I don't give a damn
I don't even give a fuckYou don't move me
I don't give a fuck
You don't move me
I don't give a fuckOne is stronger I've read somewhere
You bet your ass it's true
Make sure to love yourself
'Cause no one will ever love youYou've got to treat yourself
Like the number one just to survive
Or else you'll go a sorry one
While choking on their liesTake my advice
It's better than their lies
Man's best friend is still a greasy handYou don't give a fuck
You don't even give a damn
