Let You Go

Colby O'donis

Konvict
It's so hard to let you goI'm not so good at breakin' up
But I'm so good at makin' up
Why don't, baby, you make this easy
It's uncomfortable? And I'm the type of guy
Who would hate to see you cry
So that is wise, I'm not leavin' your sideCould it be I am thinkin' too much
Hopin' for a better day, day, day, day?
Oh girl, I've been tryin' to stay
I don't know what to do
You're everything I know
It's so hard to let you goI'm not tryin' to break your heart
But this ain't fair to you
You're everything I know
It's so hard to let you go
Hard to let you go
It's so hard to let you go
Hard to let you goHey, I'm wastin' time
You'll be my best friend
I won't die till end
You see if I turn back, if I look back
We could start over again
We could start just only friends
Just you and I, you and ICould it be I am thinkin' too much
Hopin' for a better day, day, day, day?
Oh girl, I've been tryin' to stay
I don't know what to do
You're everything I know
It's so hard to let you goI'm not tryin' to break your heart
But this aint fair to you
You're everything I know
It's so hard to let you go
Hard to let you go
It's so hard to let you go
Hard to let you goIf you feel what I say
Feelin' this song
Feel free to sing along
You'll say oh, oh, oh, oh
Oh, oh, oh, ohAnd if you're hurtin' inside

Feelin' so wrong
Feel free to sing along
You'll say oh, oh, oh, oh
Oh, oh, oh, ohGirl, I've been tryin' to stay
I don't know what to do
You're everything I know
It's so hard to let you goI'm not tryin' to break your heart
But this aint fair to you
You're everything I know
It's so hard to let you go
Hard to let you go
It's so hard to let you goHard to let you go
It's so hard to let you go
Hard to let you go
It's so hard to let you go
Hard to let you go
It's so hard to let you go
