Advisory - the following lyrics contain explicit language:

Hello? What the deal? Bet I got two phones, one for the plug and one for the load
I got two phones, one for the bitches and one for the dough
Think I need two more, line bumpin' I'm ring, ring, ringin'
Countin' money while they ring, ring, ringin'
Trap jumpin' I'm ring, ring, ringin'
I got two phones, one for the plug and one for the load
I got two phones, one for the bitches and one for the dough
Think I need two more, line bumpin' I'm ring, ring, ringin'
Countin' money while they ring, ring, ringin'
Trap jumpin' I'm ring, ring, ringin' Button start the foreign, oh my God I'm gorgeous
I just put the key inside my pocket park
It might not get to see, this a new Ferrari
Man in the mirror, how you choose to bother
Someone said they callin', I don't feel like talkin'
Everything is different, turned the way I bought it
Phone be interrupting me while I'm recordin'
Phone be making women feel they unimportant
Call my dog, he say it's all the way retarded
Keep the ore 'cause I am not using the Foreman
Kitchen, I just finished up a new performance
Hater, wish you well
I got clientele
I just got it off the scale I got two phones, one for the plug and one for the load
I got two phones, one for the bitches and one for the dough
Think I need two more, line bumpin' I'm ring, ring, ringin'
Countin' money while they ring, ring, ringin'
Trap jumpin' I'm ring, ring, ringin'
I got two phones, one for the plug and one for the load
I got two phones, one for the bitches and one for the dough
Think I need two more, line bumpin' I'm ring, ring, ringin'
Countin' money while they ring, ring, ringin'
Trap jumpin' I'm ring, ring, ringin' There they go again, one of my lil friends

They don't give a damn how a nigga been
 All they wanna know is what I got to give
 How much did I spend? What I got to lend?
 What I did and what I didn't do for them
 Bricks comin' in somewhere on the rim
 Section doin' numbers, nowhere by a gym
 Rappin' bottles spin, I'm supplin' 10
 Jumpin' out a Honda, I just got it in
 Askin' what I cop, none of your concern
 One day you gone learn what you tryna get
 Everything on sale, goin' out of biz
 Partners up in jail, gotta feed the kids
 Juggin' 'round the city, you know what it is
 Bread winner business, put that on the wrist
 I got two phones, one for the plug and one for the load
 I got two phones, one for the bitches and one for the dough
 Think I need two more, line bumpin' I'm ring, ring, ringin'
 Countin' money while they ring, ring, ringin'
 Trap jumpin' I'm ring, ring, ringin'
 I got two phones, one for the plug and one for the load
 I got two phones, one for the bitches and one for the dough
 Think I need two more, line bumpin' I'm ring, ring, ringin'
 Countin' money while they ring, ring, ringin'
 Trap jumpin' I'm ring, ring, ringin'
 Ring, ring, ringin' man
 Find me balling hard
 Come from grinding hard
 Getting calling cards from your Barbie doll
 When she 'round me she know I'm her bodyguard
 Money callin' for me, baby girl I'm sorry
 You just side yelling you not that important
 Waist shaper I could pin you to the carpet
 Smell like tarter, I'mma put you in the water
 Conversation cost a lot of chips
 She don't really get a lot of this
 Engagin' where I'm gazin' at her hips
 And ain't nobody makin' no attempts
 Amazing clip, hanging, slanging dick
 Maybe we can make it takin' trips
 Maybe I was thinkin' too impatient
 Phone ringing, hold up, what it is?
 I got two phones, one for the plug and one for the load
 I got two phones, one for the bitches and one for the dough
 Think I need two more, line bumpin' I'm ring, ring, ringin'
 Countin' money while they ring, ring, ringin'
 Trap jumpin' I'm ring, ring, ringin'
 I got two phones, one for the plug and one for the load
 I got two phones, one for the bitches and one for the dough

Think I need two more, line bumpin' I'm ring, ring, ringin'
Countin' money while they ring, ring, ringin'
Trap jumpin' I'm ring, ring, ringin'
