

# Burning House Of Love

## X

drive by my house late at night  
you can see from the freeway above  
no silhouette, but a light left on  
burning there for lovesmoke is rising from the fire  
coming out my back door  
i'm inside, sound asleep  
cigarette on the floor  
burning there for lovewell i can still remember  
a couple of years ago  
when the smoke and flame called my name  
it was a burning house of lovethat rusty nail over our front door  
is where i hung our tears in the rain  
i threw that horseshoe into the weeds  
to see what luck can bringcause you're in your bed, i'm in mine  
on either side of town  
i think i might take a ride  
and burn your love house down  
like a burning house of love
