

Angel by Your Side

Francesca Battistelli

I can't say that everything's ok
'Cause i can't see the tears your crying
And i cant promise to take the pain away
But you can know i won't stop trying i'll be the angel by your side
i will get you through the night
i'll be the strength you can't provide on your own
'Cause when your down and out of time
And you think you've lost the fight
let me be the angel, the angel by your side
I know it feels like you're running out of faith
'Cause it's so hard to keep believing, oh
But if i can bring the smile back to your face
For a moment you'll forget all about it, oh i'll be the angel by your side
i will get you through the night
i'll be the strength you can't provide on your own
'Cause when your down and out of time
And you think you've lost the fight
let me be the angel, the angel by your side 'Cause this won't be the last time
You'll need a little hope
But I wanna be the first to let you know
I'll be the angel by your side
I will get you through the night
I'll be the strength you can't provide on your own
'Cause when you're down and out of time
And you think you've lost the fight
Let me be the angel, the angel by your side
Oh, let me be the angel, the angel by your side, oh
The angel by your side
