

# Rosalie

## Green Velvet & Carl Craig

Divide and conquer  
Is all she wants to  
Rosalie

She'll make the real life fantasy  
The strong ones too busy  
Rosalie

When it's all said and done she'll wipe her mouth  
She's done no wrong  
Rosalie

She'll make the truth conspiracies  
The youth - no use  
Rosalie

Don't run when you see  
Rosalie

Stand strong don't believe  
Rosalie

Divide and conquer  
Is all she wants to  
Rosalie

She'll make the real life fantasy  
The strong ones too busy  
Rosalie

Don't run when you see  
Rosalie

Stand strong don't believe  
Rosalie
