Fly Together

Trey Songz

I'm so, you so, we so fly
I'm so, you so, we so fly
I'm so, you so, we so fly
I'm so, you so, we so flyI'm so, you so, we so fly
I'm so, you so, we so fly
I'm so, you so, we so fly
I'm so, you so, we so flyMaybe it's the dude, maybe it's the cool
Maybe it's my shoes, call 'em 22's
Baby, it's your waist, baby, it's your face
Baby, it's your smile, make me wonder how you tasteMaybe 'coz the thugs say that I'm cool
Maybe 'coz the girls wanna be like you
Maybe it's the ice that made you look twice
Maybe it's your back that made me look backBaby, I look good with you
You should know that you look good with me too
Let me ride through the hood with you
And show you to my boys 'coz ooh, ooh, youYou so fly, I'm so fly
What's mo' fly than you and I together
Get high, let's fly together, oh, girlI'm so fly, you so fly
What's mo' fly than you and I together
Get high, let's fly togetherMaybe take a cruise, sail across seas
We could never lose, baby, not we
We could be the two, the life of the party
Baby, what it do? You know that you want meMaybe is the feel that I like you
Got a nigga feel he gon' wife you
Maybe it's the fit that made me look slick
Baby, you the pick, I make you my chickBaby, I look good with you
You should know that you look good with me too
Let me ride through the hood with you
And show you to my boys 'coz ooh, ooh youYou so fly, I'm so fly
What's mo' fly than you and I together
Get high, let's fly together, oh, girlI'm so fly, you so fly
What's mo' fly than you and I together
Get high, let's fly togetherBaby, don't, don't you take too long
I want you in my arms
And if you feel what I feel, bring it here to meC'mon, see we young but, girl, we grown
And baby, I wanna grow old
With you 'coz you know that you soWell, maybe it's your attitude that makes me a lil' mad at you
The same time the gratitude make me wanna spend cash on you
Take you on trips cross the longitude and latitude

Let you hold the whip, last time we almost crashed the CoupeSo I laughed at you 'coz we was drunk pissy
It was two summers ago and you still wanna wed me
Or maybe it's the loyalty, the way that you call on me
When we makin' love and you scream, "Put it all on me"Or maybe my physique and my upcomin' from the streets
It keeps you runnin' back and got you cummin' in the sheets
From the first time I met you, youve become a lil' freak
I might go downtown and get somethin' to eatAnd baby, you take care of me, baby, I'll take care of you
You cry, I cry, baby, I shed tears for two
Baby, if that 7 carat didn't cost 300 grand
I wouldn't have to tell you put some ice on your hand, just jokin'You so fly, I'm so fly
What's mo' fly than you and I together
Get high, let's fly together, oh, girlI'm so fly, you so fly
What's mo' fly than you and I together
Get high, let's fly togetherI'm so, you so, we so fly
I'm so, you so, we so fly
I'm so, you so, we so fly
I'm so, you so, we so fly
