

# Modern Man

## The Bolshoi

So I wait my turn, I'm a modern man  
And the people behind me they can't understand  
Makes me feel like....  
Makes me feel like....  
So I wait in line, I'm a modern man  
And the people behind me they can't understand  
Makes me feel like....  
Something don't feel right Like a record that's skipping, I'm a modern man  
And the clock keeps ticking, I'm a modern man  
Makes me feel like....  
Makes me feel like....  
In my dream I was almost there then they pulled me aside and said you're going nowhere  
They say we are the chosen few but we waste it  
And that's why we're still waiting On a number from the modern man  
Maybe when you're older you will understand why you don't feel right  
Why you can't sleep at night no  
In line for a number but you don't understand like a modern man  
In line for a number but you don't understand like a modern man Oh, I had a dream, I was dreaming and I feel  
I'm losing the feeling  
Makes me feel like.....  
Like something don't feel right  
I erase the number of the modern man  
Wanna break the mirror of the modern man  
Makes me feel like.....  
Makes me feel like.....  
In my dream I was almost there then they pulled me aside and said you're going nowhere  
I know we are the chosen few but we waste it  
And that's why we're still waiting In line for a number but you don't understand like a modern man  
In line for a number but you don't understand like a modern man  
If it's alright then how come you can't sleep at night  
In line for a number but you don't understand like a modern man I'm a modern man  
I'm a modern man  
I'm a modern man  
I'm a modern man
