

# Luigi's Mansion: Main Theme

## London Philharmonic Orchestra

You've won a mansion, Luigi  
Don't question it, it's legit, no bullshit  
It may be crumbling and creepy  
But much more space than that tiny space you split Luigi, hello! Welcome to my hut!  
I'm Professor E. Gadd, stop scratching your butt!  
This mansion appeared in a big puff of doom  
And it's dusty as shit! Here, take this vacuum Your brother gets a world, and a land, and a mouse  
He gets a galaxy, you get a fucking house  
By the way, he's here, and he's feeling sad  
He's stuck in a painting which is suddenly bad Come in and join us, Luigi  
Maybe you'll make a new friend: a ghoul friend  
Your pants may be full of pee-pee  
But once you're in here, the fun will never end So you get a launch title, make the most out of it  
Get a free mansion, take the ghosts out of it  
I'll teach you to ghostbust, it's easy enough  
Just sucky sucky sucky, then clean up the white stuff The mansion isn't real, just go in and suck it up  
The money is real though, so Scrooge McDuck it up  
There's butlers and grannies and babies, so go!  
And if you get scared, just yell "Mario!" Are you fed up with this tune yet?  
It is the one song you hear, yes one (one)  
So though it grates at the onset  
It won't last long, seven hours, and you're done "Can't I just be in Super Mario Sunshine?" "No!"

Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
