

# Caravan Song

**Barbara Dickson**

The early light is breaking  
The morning sun is waiting in the sky  
And I think I'm gonna break away  
And follow where the birds of freedom fly  
I need to give, I need to live  
For the world is slowly turning  
And the lights of love are burning in my eyes  
CHORUS: Caravans, oh my soul is on the run  
Overland, I am flying  
Caravans moving out into the sun  
Oh I don't know where I'm going  
But I'm going  
Wish I had the wisdom  
To find some simple words to make you see  
The things that mean a lot to you  
Don't always seem to mean a lot to me  
I need to breathe, I need to leave  
When the sands of time go drifting by  
I may be on my own  
But I'll be free  
CHORUS
