No Rocks

Malcolm Williams & Great Faith

No rocks will cry out, will cry out for me
After all that you consistently do
Daily to meet my needs

I have not thanked you for all you've done
Nor have I thanked you for what's going on
If I praised you all day, I still owe You a praise

I am back due, I owe God a praise
I am behind, I owe him a Thank You Jesus
And a Hallelu

I have not thanked you for all you've done
Nor have I thanked you for what's going on
If I praised you all day, I still owe you a ----

Praise!Praise!PraisePraise!Praise!Praise
I still owe You a praise.
