Don't Be Afraid

Dru

Yeah.
I know you've been through so much in your life, but girl I'm here just to make it alright,
Baby I know you've been hurt times before, but girl please tell me you won't close the door.I know you never really thought that you could be in love.
I'm sure
Baby don't fight how you feel,
So
Don't be afraid of my love,
just let me hold you, yea, girl
Don't be afraid of my love (don't be afraid)
I won't desert you,
Now you can be honest with your heart
Ta lala, ta lala yea yeaThere is an ocean of tears that you cry,
Let me be the one to dry them from your eyes,
I know that this might be hard to believe,
I'm not the game cause you're all that I need,
I know
You never really thought that you could be in love,
I'm sure,
Baby don't fight how you feel,
So
Don't be afraid of my love (don't be afraid)
just let me hold you, (just let me hold) girl
It's all I want (girl)
Don't be afraid of my love
I won't desert you (no I won't)
Now you can be honest with your heartTa la la, ta la la a la la la
You got me singing, la la la
(Don't be afraid)
Don't be afraid of my love,
Just let me hold you, (oh girl) girlDon't be afraid of my love,
I won't desert you (I won't desert, no girl)
Now you can be honest with your heartDon't be afraid of my love,(I won't desert you)
Just let me hold you, girl (girl)Don't be afraid of my love,
I won't desert you,
Now you can be honest with your heart,
I know you never really thought that you could be in love,I'm sure,
baby don't fight how you feel,
So

Don't be afraid of my love (Don't be afraid)
I won't desert you,
Now you can be honest with your heart.
