

Turning Tables

Brittany Cairns

Close enough to start a war
All that I have is on the floor
God only knows what we're fighting for
All that I say, you always say more

I can't keep up with your turning tables
Under your thumb I can't breathe

So, I won't let you close enough to hurt me
No, I won't rescue you to just desert me
I can't give you the heart you think you gave me
It's time to say goodbye to turning tables
To turning tables

Under haunted skies I see you (ooh)
Where love is lost your ghost is found
I braved a hundred storms to leave you
As hard as you try, no, I will never be knocked down, whoa

I can't keep up with your turning tables
Under your thumb I can't breathe

So, I won't let you close enough to hurt me,
No, I won't rescue you to just desert me
I can't give you the heart you think you gave me
It's time to say goodbye to turning tables
