Baby, I wanna do something different tonight aight?
Okay, what you wanna do?
I want you to sing to me, while I sing to you
I want we do this, okayTouching you, touching me, satisfying your every need
You won't have to work for nothing, after I give you this loving
Touching you, touching me, sexual chemistry
Girl seems like your body's ready and I know you won't regret itTurn the lights down low, ready to let my juices flow
Baby, double lock the door, let's start right here on this floor
Sounds like the perfect plan, we're seconds away from loveland
All you gotta do is take my hand, now tell me baby who's your manYou babe, who? You babe, you
I am your lady, all friends are gone perfect
Now, come and take it, babyLet it go, let it flow, it's alright, it's okay, we're alone, baby
Baby, I don't mind if you take off my clothes
Let it go, let it flow, it's alright, it's okay, we're alone, baby
Baby girl, you can be loud, no one will knowLet it go, let it flow, it's alright, it's okay, we're alone, baby
Baby, we can take our time
Let it go, let it flow, it's alright, it's okay, we're alone, baby
So let's keep on touching, babyYeah, I liked that, me too
Keep going, okayRaindrop's falling, love angels calling
Something tells me this could be, the greatest sex in history
All these nights, girl, I vow to make you cry when I go down
I am here to please you baby, taste your love and drive you crazyLike a summer breeze, bursting trees
Loving the way you pleasin' me
Bite my lips to keep from screamin'
Baby boy, it's like I'm dreamin'For me the same when positions change
Makin' me wanna scream your name
It's like heaven messed us up
Such a blessing we hooked upYou babe, who? You babe, you
I am your lady, all friends are gone perfect
Now, come and take it, babyLet it go, let it flow, it's alright, it's okay, we're alone, baby
Baby, I don't mind if you take off my clothes

Let it go, let it flow, it's alright, it's okay, we're alone, baby
Baby girl, you can be loud, no one will knowLet it go, let it flow, it's alright, it's okay, we're alone, baby
Baby, we can take our time
Let it go, let it flow, it's alright, it's okay, we're alone, baby
So let's keep on touching, babyYou, you, oh baby, oh boy
Let's keep on touching babyYeah, oh, I love the way you touch me right there
You said chills up and down my spine
Go deeper, deeper, deeper, deeper
Tell me how you like it baby? Give you more or draw back babyDeeper, deeper, deeper, deeper
Don't hold back, faster babe, all alone, so let's go crazy
Make love to me, like you never made love before
I wanna hear you screaming
I wanna hear you screaming, screaming baby, give me moreLet it go, let it flow, it's alright, it's okay, we're alone, baby
Let it go, let it flow, it's alright, it's okay, we're alone, baby
Let it go, let it flow, it's alright, it's okay, we're alone, baby
Let it go, let it flow, it's alright, it's okay, we're alone, babyLet it go, let it flow, it's alright, it's okay, we're alone, baby
Let it go, let it flow, it's alright, it's okay, we're alone, baby
Let it go, let it flow, it's alright, it's okay, we're alone, baby
