

I Get Around

Dragonette

9 am
In your bedroom
The radio alarm clock
is set for soon
I know you friends
and you know mine too
you dont tell on me I wont tell on you
I get aroundSeconds to your elevator
from the station
How can I resist
that kinda invitation
Second floor and Im in trouble
Gotta get me back down to street level
I get aroundHere I come when I better go
I say yes when I ought to say no
Here I come when I better go
I say yes when I ought to say noQuietly slide away off the mattress
Find my clothing on the bed post
So I tip toe out of this mess
As I slip back into last nights dress
I get aroundPut a little lipstick back on my face
Blow a little kiss to you from the doorway
walk the hall right past the stair case
take the elevator back down out of this place
I get aroundHere I come when I better go
I say yes when I ought to say no
Here I come when I better go
I say yes when I ought to say no
I say yes when I ought to say no
I say yes when I ought to say no
I say yes
I say yes
I say yes
I say yes
I say yes
Say yes
Say ya
