Almost

Dave Hollister

I was mad as hell at you
Walked out with intentions to
Get up with this honey
I just met on Monday
'Cause I knew she was downWe went and had a drink or two
But all I did was think of you
And how I really love you
In spite of all our troubles
And so I stop myselfThis is straight from the horse's mouth
I almost kissed her, and almost did her
And almost went there with her
And I thought about you wouldn't bounceI know it's not that easy girl
But you gotta believe me girl
'Cause baby I ain't lyin'
I'm just sick of fightin'
And arguin' with youBaby, why can't we be?
The way that we
Were once before
And you weren't getting on mine
And I wasn't getting on your last nerveThis is straight from the horse's mouth
I almost kissed her, and almost did her
And almost went there with her
And I thought about you wouldn't bounceI was wrong, I was all wrong yesterday
Should've never left you feeling that way
I apologize for makin' you cry
Baby please forgive meThis is straight from the horse's mouth
I almost kissed her, and almost did her
And almost went there with her
And I thought about you wouldn't bounceThis is straight from the horse's mouth
I almost kissed her, and almost did her
And almost went there with her
And I thought about you wouldn't bounceThis is straight from the horse's mouth
I almost kissed her, and almost did her
And almost went there with her
And I thought about you wouldn't bounceThis is straight from the horse's mouth
I almost kissed her, and almost did her
And almost went there with her
