A little bit change now your boy done blown up  
And I'm doing things that gets exposed  
Stunting ain't a thing to me  
And it's obvious it's plain to see  
That you gone make us both

That'll scare grown folks  
Shit they might even say  
You should leave me alone  
Don't be scared  
You need to get like me

Just gotta have it  
Shawty can throw anything at me  
I'm gonna bag it  
When she sees the carrots  
They real just like a rabbit  
Can't no other boy  
Do the things you like  
He ain't your type  
Change your life  
But if you did your homework

Drop top singing know Jones and Banner gonna roll

Stuntin' (stuntin') is a habit. Jim Jones:  
They told me stuntin' was an art form(like Da Vinci)  
Winter time no top but the car on(Lamborghini)  
We don't park we leave the car on  
The bad bitches gimme hard on  
The say my rides like Purple label  
My garage like horses in the stable(horsees)  
Cars all pretty  
Hard or more drippy like the Frankie better  
It's banks stopped all betters  
It's tank top in good weather  
My niggas all wit it  
Treat out whips like our bitches  
We take the top off  
And then we jump off in they guts  
Just like we jump up in the sluts  
They say we smoke good  
Puff Ferraris up in dope hoods  
Because we so hood it's all good  
Say stuntin' is a habit, so put it in the air  
100 thounsand worth of carrots so I put it in my handStuntin'(stuntin')is a habit,  
Get like me,  
Have you ever seen a Chevy with a kit like me
