

# Hotline

## Freeway

Bitch I got them hotlines  
One nine hundred hotline  
Call me no one hotline,  
Wait before you got sign  
I've been dropping hotlines,  
Hustling on that hutline  
Stuntin on you busters

Difference now we're doign that come.Simy cup bitch, really I'm from dilly block slow it up  
Ya'll know what's up, the flow is tough,  
Flowing up, you're leanin back, you need it yeah  
More than other evening can I hit you with the evil rap  
Bigo got that heat on that, people got the problem we follow  
Batman and riving, heroes can save em we marveling  
Euros and... and dollars with my quest for my baby  
For a facing... I'm charty no time for lakeness  
Breakness, that is, find us, line us, you're rap first needs security  
Link us what was he thinking,  
Stop em like he races with the burner renovation  
You better know just who you facing nigga

Bitch I got them hotlines  
One nine hundred hotline  
Call me no one hotline,  
Wait before you got sign  
I've been dropping hotlines,  
Hustling on that hutline  
Stuntin on you busters

Difference now we're doign that come.Loco, we run mortals, teamerly we're now on  
These rappers they all born  
That's why we'll be all on it  
With the shit better shit with the car on it  
Ya'll rapper might that gone  
Put the folks with the...  
When we pull up in the ghost we all on it  
Your bitch is been on, on it  
'Cause them bitch be all on it  
Think em when we call for em  
We got them all on force  
Through the same shit I was seas on tour  
Only differences is the'll be all for it

And we never far for em, freakers then we all gone  
Cross us then we all one,  
Hit you stop on the bubble woman,  
Kept right close with the right performance  
Face it to your car door, we like low in car more  
I shut the girl over here no...  
If you're trying to move that low force  
She screaming put me on that on  
I told the  
Hotlines, hot rhymes  
We drop bones, slipped on,  
Hot nine, seven is your rhyme ready I I  
Got my... for the ratch, Jay Z go sign from...  
Your rappers bechattering,  
Looking at me... let's make you like you papa  
Who the fuck you think you better in  
Just when you go to...  
Hot people up on your porn side,  
We guessed it and... you we're laughing at you haha  
I am much grater the three hater of them hotline  
You watch as a hater in a way just like a stop sign  
Greater, later, alligator 'cause I stood player  
Serve you like the waiter  
I'm saying
