Is this on?
Is this on?
Is this on?
Is this on? I am so too
I am so too
I am so too
I am so I am so Is this on?
Is this on?
Is this on?
Is this on? I am so too
I am so too
I am so too
I am so I could take you there
But I don't know how to get there
I could take you there
But I don't know where to go I am so too
I am so too
I am so too
I am so I am so Is this on?
Is this on?
Is this on?
Is this on? Is this on?
Is this on?
Is this on?
Is this on? I am so too
I am so too
I am so too
I am so I could take you there
But I don't know how to get there
I could take you there
But I don't know where to go I could take you there
But I don't know how to get there
I could take you there
But I don't know where to go I could take you there
But I don't know how to get there
I could take you there
But I don't know where to go
