Hero

Superchic[k]

No one sits with him, he doesn't fit in
But we feel like we do when we make fun of him
Cause you want to belong do you go along
Cause his pain is the price paid for you to belong
It's not like you hate him or want him to die
But maybe he goes home and thinks suicide
Or he comes back to school with a gun at his side
And a kindness from you might have saved his lifeHeroes are made when you make a choice
You could be a hero
Heroes do whats right
You could be a hero, You might save a life
You could be a hero, You could join a fight
For whats right for whats right for whats rightNo one talks to her, she feels so alone
Shes in too much pain to survive on her own
The hurt she cant handle overflows to a knife
She writes on her arm, wants to give up her life
Each day she goes on is a day that she's brave,
Fighting the lie that giving up is the way,
Each moment of courage her own life she saves when she throws the pills out, a hero is madeHeroes are made when you make a choice
You could be a hero
Heroes do whats right
You could be a hero, You might save a life
You could be a hero, You could join a fight
For whats right for whats right for whats rightNo one talks to him about how he lives
He thinks that the choices he makes are just his
Doesn't know he's a leader with the way he behaves
And others will follow the choices hes made
He lives on the edge, hes old enough to decide
His brother who wants to be him is just nine
He can do what he wants because its his right
The choices he makes change a nine year old's lifeHeroes are made when you make a choice
You could be a hero
Heroes do whats right
You could be a hero, You might save a life
You could be a hero, You could join a fight
For whats right for whats right for whats right[Rap]
Little Mikey D was in the one class
Who everyday got brutally harassed

This went on for years
Until he decided that never again
Would he shed another tear
So he walked through the door
Grabbed the 44 out of his father's dresser drawer
And said I can't take life no more
And like that life can be lost
But this ain't even about that
All of us just sat back
And watch it happen
Thinkin' it's not our responsibility
To solve a problem that isn't even about me
This is our problem
This is just one of the daily scenarios
Which we choose to close our eyes
Instead of doing the right thing
If we make a choice
And be the voice
For those who won't speak up for themselves
How may lives would be saved, changed, and rearranged
Now it's our time to pick a side
So don't keep walking by
Don't wanna intervene
Cause you just wanna exist and never be seen
So let's wake up
Change the world
Our time is nowHeroes are made when you make a choice
You could be a hero
Heroes do whats right
You could be a hero, You might save a life
You could be a hero, You could join a fight
For whats right for whats right for whats right
