

Limb By Limb

DJ Guv

The shoulder that I leaned on was carved out of stone
But when I'm done freezing, I want to be alone

 Never want my hand cut off
 Never want a hacking cough
 Never need a cliff side push
 Never turn my brain to mush
 Always give me what I lack
 Always take the best parts back
 Always recognize your fate
 Always just a moment late
 Left is where I always turn
 Left is how I'm forced to learn
 Left the route my walking takes
 Left alone with my mistakes
 Up against the person who
 Up 'til now I never knew
 Up from Hell the answer blew
 Up or down it's up to you

Drop me off the Chinese wall
And peel my fingers off the rim
I come unglued while in midair
And land to reform limb by limb
 (And I am taken far away)

 Lingering slowly melting away
 (And I am taken far away)

Tossed with the salad and baled with the hay
 (And I am taken far away)

Pooling the water that drips from above
 (And I am taken far away)

Trampled by lambs and pecked by the dove
 Drop me off the Chinese wall
 And peel my fingers off the rim
 I come unglued while in midair
 And land to reform limb by limb
