

Hard Bargain

Emmylou Harris

I'm a bit run down but I'm okay
Just feel like calling it a day
But you send me back to the start
You drive a hard bargain Each time, I'm heading for nowhere
Doomed and determined to go there
It seems I'll never get far
You drive a hard bargain
You drive a hard bargain How's a girl supposed to feel
With someone like you around?
I tried and tried to no avail
You just can't seem to let me down
You drive a hard bargain
You drive a hard bargain How's a girl supposed to feel
With someone like you around?
Tried and tried to no avail
You just can't seem to let me down
You drive a hard bargain
You drive a hard bargain So I'll keep on playing that old song
'Cause for all I know it's where I belong
When the world is breaking my heart
You drive a hard bargain You send me back to the start
You drive a hard bargain
You drive a hard bargain I'm a bit run down but I'm okay
