

Human (Ryeland Remix)

Ellie Goulding

Human behave yourself,
You have burst at the seams
Let it all fall out open your mouth
Often I lie wide awake,
Think of things I can make
But I don't seem to have the parts to build them
Human I wonder why you're a better make
Than I could ever build or create,
You know not love or hate
I am so scared of what will kill me
In the end for I am not prepared,
I hope I will get the chance to be someone,
To be human,
Look what we've done,
Look what we've done I would give my life, to be human
I would give my life, to be human
I would give my life, to be human
I would give my life, to be. Human I'm trying to come clean,
I will be a better me,
I will not drink until I'm dead
I'll make the most of it.
I don't know what it's like to be alive,
To say goodbye,
To cry a thousand tears
Because my ears won't listen Human I'm trying not to lose my faith in you,
I've sussed out all that I've seen through,
I've sailed an ocean I am so scared of what I'll look like in the end
For I am not prepared,
I hope I will get the chance to be someone
To be human,
Look what we've done,
Look what we've done I used to hear it all so loud,
The sound of my heart breaking.
The truth is waiting to be found,
I trust that I will take it I would give my life,
I would give my life,
I would give my life,
I would give my life,
I would give my life, to be

I would give my life, to be
I would give my life, to be
I would give my life, to be (human)
