I Could Use a Hero

Bering Strait

Who will rescue my heart?
Who will save my soul?
Who will give me strength?
Fill my cup with hope?I could use a sunrise
I could use a rainbow
Someone on a white horse
I could use a heroWho will light my way?
Take me through the night?
Who will hear my voice?
Hold me when I cry?I could use a sunrise
I could use a rainbow
Someone on a white horse
I could use a heroI could use an angel
To guard against the shadows
I could use a strong heart
I could use a heroIs there a dream
Waiting for me
Is that too much to ask?I could use a sunrise
I could use a rainbow
Someone on a white horse
I could use a heroI could use an angel
To guard against the shadows
I could use a strong heart
I could use a heroI could use a sunrise
I could use a rainbow
Someone on a white horse
I could use a heroI could use a hero
I could use a hero
Yeah, I could use a hero
