Skating In the Moonshine

Sally Shapiro

It was all so fun
We used to walk in the sun
When the autumn ends
We are two good friends
Soon you will understand
That I want something moreOh and all those times
I used to look in your eyes
You did just the same
It was just a game
Now I can hardly say
It's like that anymore
Can't get you out
Of my mind
I feel so warm
But can't ask you to take me home
Because your eyes
Have turned me to a statue of stoneI try to smile
But something comes into my way
I need to say
That I don't want to play this gameCome skating in the moonshine
With me, my loveWhen the clouds go by
I see your face in the sky
When I dream at night
You are in my sight
But I wake up to see
That you're not here with me
When you touch my hand
I'm in a magical land
I should say that you're
What I'm longing for
Where is my confidence
I need it now for sure
You're on my mind
All the timeYou took my heart
You're playing with my mind and soul
Now baby start
To listen cause I want you to knowI feel so warm
But can't ask you to take me home
Because your eyes

Have turned me to a statue of stoneI try to smile
But something comes into my way
I need to say
That I don't want to play this gameI could be free
But feeling like a shy little girl
Yet I could be
The sweetest love for you in this worldCome skating in the moonshine
With me, my love
Come with me to a journey
Under the starsYou took my heart
You're playing with my mind and soul
Now baby start
To listen cause I want you to knowI feel so warm
But can't ask you to take me home
Because your eyes
Have turned me to a statue of stoneI try to smile
But something comes into my way
I need to say
That I don't want to play this gameI could be free
But feeling like a shy little girl
Yet I could be
The sweetest love for you in this worldBa da di dam,
Ba da di da di dam da da

With me my love
Come with me to a journey
Under the stars)

With me my love
