Angels of Babylon

Walk down this road with me now
I can show you all that's to be
take my hand, see what's revealed for you
as we look to the skiesPre-
All around you there's a fast game of deception
open your eyes right nowYou want sorrow, I can take you there
you want tomorrow, I can take you there
beg, steal, borrow, I can take you there
you want tomorrow, I can take you there
Stay close me, for the hand that you be
Shows the time when the wolf will be calling
If there's one thingm that I don't know
It's when the sign will showAll around you there's a fast game of deception
open your eyes right now
You want sorrow, I can take you there
you want tomorrow, I can take you there
beg, steal, borrow, I can take you there
you want tomorrow, I can take you thereIn the dead of the night
The wolf that is calling is creeping around
Your door
