Maybe I'm a Fool (Drumhead Remix)

Culture Club

(rap intro by derick johnson)Dangerous lover
With the blue-green eyes
Slides into the room
He's got trouble on his mindMaybe you're misunderstood
So come and lie here by my side
'cause your love it hurts so good
Every time, every timeMaybe I'm a fool for loving you
Maybe I'm a fool
Maybe I'm a fool for wanting you
Maybe I'm a foolBut love's so hard to find
I keep searching every timeFoolish words spoken
Forgotten in the night
When the sun meets the ocean
I wanna be here by your sideLet me give you all those things
That money just can't buy
'cause your love it hurts so good
Don't ask me why, don't ask me whyMaybe I'm a fool for loving you
Maybe I'm a fool
Maybe I'm a fool for wanting you
Maybe I'm a foolMaybe I'm a fool, but I love you baby, baby...(rap by derick johnson)
(I keep searching everytime)Maybe I'm a fool
Maybe I'm a foolBaby you're misunderstood
So come and lie here by my side
Cause your love it hurts so good
Don't ask me why, just don't ask me whyMaybe I'm a fool for loving you
Maybe I'm a fool, I'm a fool, I'm a fool, yeah
Maybe I'm a fool for wanting you
Maybe I'm a fool, I'm a fool for your lovingRight nowLove's so hard to find
I keep searching every time
All the time, all the time
Cause I can't live without you
Can't live without youMaybe maybe baby I'm a fool for your loving (repeat until end)
