

Nervous Breakdown

Black Flag

Advisory - the following lyrics contain explicit language:

I'm about
To have a nervous breakdown
My head really hurts
If I don't find a way out of here
I'm gonna go berserk 'cause
I'm crazy and I'm hurt
Head on my shoulders
It's going...berserkI hear the same old talk talk talk
The same old lines
Don't do me that today, yeah
If you know what's good for you you'll get out of my way 'cause
I'm crazy and I'm hurt
Head on my shoulders
Going...berserkI won't apologize
For acting outta line
You see the way I am
You leave any time you can 'cause
I'm crazy and I'm hurt
Head on my shoulders
Going...berserkCrazy! crazy! crazy! crazy! I don't care what you fuckin' do
I don't care what you fuckin' say
I'm so sick of everything
I just want to...die!
