Ngi Linde Wena (feat. Nomcebo)

Moflava

You are my shining star
The moon that I lie up at night
I don't know who you are
Don't know what you do
Don't know where you from
Ngilinde wena
Aaah ngilinde wena(aaah)
Ngilinde wena
I don't know who you are

Aaah ngilinde wenaaah
I don't know who you are
Don't know what you do
Don't know where you from
Ngilinde wena
Aaah ngilinde wena
Owami ngabukuphi na?
Ngilinde wena
Owami ngabukuphi na?
Ngilinde wena
Mina angekho uzongilinda
Mina angekho ozongimela
Ngilinde
Ngilinde
Ngilinde
Ngilinde wena
Ngilinde wena
Ngilinde wena
Eeeh eeeh ehhh
Ngi Linde wena
Ngi Linde wena
Ngi Linde wena
Ngi Linde wena
I don't know who you are
Don't know what you do
Don't know where you from
