Disagree

Kenisia

You know I would rather disagree
Tell me what you want from me
Well I'm not saying I'll believe
I could solve your mystery
But I would rather disagree
You know, yeah
You know I'd rather disagree
You say the truth will set me free
So how come you're comin' down on me?
You think it's real if you can see
Well I don't take to that philosophy
'Cause you know
I would, I would, I would, I would, I
Yeah, I would, I would, I would, I would, I
I would, I would, I would, I
Yeah, I would rather disagree
Yeah, I would rather disagree
Do you see yourself inside of me

And do I take away your miseries
Am I just one more catastrophe?
Yeah, I always say what I don't mean
You know
I would, I would, I would, I would, I
I would, I would, I would, I would, I
I would, I would, I would, I would, I
Yeah, I would rather disagree
Yeah, I would rather disagree
I'd rather disagree, I would rather disagree
Don't you feed me I'm full
You know I'll starve before I fall
Don't bleed me, don't bleed me
Even if you're right, even if I'm wrong
Even if you're right, even if you're wrong
I would rather disagree
I would rather disagree
I would rather disagree
