Superhero

Luke Conard

I will save you
everytime you need a rescue
When there's no stars at night
i'll stay until the sun shineswell, you want something that
i will never be
so, i just need you to knowmay not be able to fly
but i'll take you on adventures
may not move at the speed of light
but if you need me, I'll be thereah oooohsave the day when you start to loose hopeah oooohI'll never be a superheroah oooohI'll never be a superheroah oooohI'll never be a superheroDon't get me wrong
i'd love to have my own theme song
no one knows my real name
just you, don't give me awayBut you want something that
i will never be
so, i just need you to knowmay not be able to fly
but i'll take you on adventures
may not move at the speed of light
but if you need me, I'll be thereah oooohsave the day when you start to loose hopeah oooohI'll never be a superheroah oooohI'll never be a superheroNo matter how hard I try
or, baby, how long i fight
I'll never be, no I'll never beJust shine a light in the sky
Girl, I'll be there tonight
And I'll never be, no I'll never be
a superheromay not be able to fly
but i'll take you on adventures
may not move at the speed of light
but if you need me, I'll be theremay not be able to fly
but i'll take you on adventures
may not move at the speed of light
but if you need, I'll be thereah oooohsave the day when you start to loose hopeah oooohI'll never be a superheroah oooohI'll never be a superheroah oooohI'll never be a superheroooooooh
