Sepulchral Voice (Re-Recorded)

Sodom

Dark death knell call you
To the throat of the glowing hell
Lights of exist become extinct
And you read the epitaph of your graveYou are the chosen messenger of hell
Come execute your instruction with spell
You got magic power to all
In league with Satan for holy ghosts fallLove to drink the blood of the slut
Adore the bestial rite
Eat virgin's heart, warm and sweet
Destroy the unborn holy meatYou are the chosen messenger of hell
Come execute your instruction with spell
You got your magic power to all
In league with Satan for holy ghosts fallThe sepulchral voiceMysterious groans torment your mind
The shadow of evil make you blind
A funeral song out of the burial place
Damned you to hell through the human raceYou are the chosen messenger of hell
Come execute your instruction with spell
You got your magic power to all
In league with Satan for holy ghosts fallThe sepulchral voice
