

# No More Time

## The Munsons

More people to the people from beyond  
What I used to say...  
Won't leave the job half done We'll take another round  
Never saw it coming  
The boys are back in town Wake up  
We're about to land  
And we've tightened our act No more time for that mellow crap  
About time you called in the boys We put our feet down - touch the ground  
And we make it last  
Don't want to fight this round You'll see another core  
In which you'll trust  
The boys are on the floor No more time for that mellow way  
Regarless opinions  
We guarantee we'll stay There is no other game  
We want to play  
The boys are all the same
