

# Eye of the Storm

## Killswitch Engage

As time goes by  
Nothing has changed  
I won't stand and watch  
You wither away After all this time  
I stand by you  
Through all of the years  
I've been with you Through pain and affliction  
With every addiction  
I will never let you down I will live by this code  
Never surrender  
You and I are one Through the eye of the storm  
You are never alone  
Even through the shadows  
You are never alone After all this time  
Still you struggle  
Even words of love  
Ring so hollow I have no regrets  
I have no remorse  
And if you falter  
I won't let you down Through the eye of the storm  
You are never alone  
Even through the shadows  
You are never alone Come on Together we stand, never fall  
No matter the trial, we will overcome  
Together we stand, never fall  
No matter the trial, we will overcome Through the eye of the storm  
You are never alone  
Even through the shadows  
You are never alone Together we stand, never fall  
No matter the trial, we will overcome  
We will overcome
