Mannequin

Katy Perry

How do I get closer to you
When you keep it all on mute?
How will I know the right way to love you?Usually the queen of figuring out
Breaking down a man is no work out
But I have no clue
How to get through to youOh, I wanna hit you just to see if you cry
I keep knocking on wood
Hoping there's a real boy inside'Cause you're not a man
You're just a mannequin
I wish you could feel that my love is real
But you're not a manI wish I could just turn you on
Put a battery in and make you talk
Even pull a string for you to say anythingBut with you there is no guarantee
Only expired warranty
A bunch of broken parts
And I can't seem to find your heartOh, I'm such a fool, I'm such a fool, I'm such a fool
This one's outta my hands
I can't put you back together again'Cause you're not a man
You're just a mannequin
I wish you could feel that my love is real
But you're not a manYou're just a toy
Could you ever be a real, real boy
And understand?
But you're not a manIf the past is the problem
Our future could solve them, baby
I could bring you to life if you let me inside, baby
It will hurt but in the end you'll be a manYou're not a man
You're just a mannequin
I wish you could feel that my love is realYou're a toy
Could you ever be a real, real boy
And understand?
But you're not a manYou're not a man
You're just a mannequin
I wish you could feel that my love is real
But you're not a man
