2 Hearts

Sugababes

It never seems enough, baby
When your head is full of stuff
Then again you didn't go
And thank God you didn't though
What's it gonna take, baby
For two of us to make it
Through this one
Can we make it through this song?
Everything between us makes me glow
But how could you know?
Simple things bring simple pleasures
That we know or maybe they didn't show
2 used, 2 means, 2 hearts, 2 please
2 you, 2 me, 2 make totally
2 mouths, 2 closed, 2 make all of those
2 hearts, 2 believe, 2 love openly
Do you really wanna wait another day?
'Coz everybody needs a little time to pay
And after when the time is up
Everybody doesn't always get their say
Feels like a little price to pay then after we laugh it up
Everything about us makes me grow
But how would you know?
Simple things bring simple pleasures
That we know
Baby, it's time to show
2 used, 2 means, 2 hearts, 2 please
2 you's, 2 me's, 2 make totally
2 mouths, 2 closed, 2 make all of those
2 hearts, 2 believe, 2 love openly
You're the must have
You're the part I'm in your palm
Love freely so really
There's a call, where's it from?
Ooh ooh ooh
Ooh ooh ooh
2 used, 2 means, 2 hearts, 2 please
2 you's, 2 me's, 2 make totally
2 mouths, 2 closed, 2 make all of those

2 hearts, 2 believe, 2 love openly
2 used, 2 means, 2 hearts, 2 please
2 you's, 2 me's, 2 make totally
2 mouths, 2 closed, 2 make all of those
2 hearts, 2 believe, 2 love openly
